8. Read the text and answer the given questions.

One day a poor woodman was cutting a tree on the bank of a river .By chance his iron axe slipped from his hand, fell into the water and sank immediately .The woodman sat down and began to cry about his loss. The fairy who lived in the river, feeling sorry for him; dived into the bottom and brought up a golden axe. But the honest woodman said that it was not his. The river fairy dived again and this time brought up a silver axe; but again the woodman refused to take it. After a third dive into the water of the river; fairy brought up the iron axe. "That's mine." Cried the woodman, in the great delight. She was very happy about him and gave all the axes. Poor woodman was very happy and went home and lived happily.
