11) One day five rabbits were playing under a tree. They heard a big noise. They did not know what it was. They looked up and saw the vast sky above. The rabbits started trembling. They said “ The sky falling down ” and started running. On the way they met a big bear. “ Why are you all running?” asked the big bear. The rabbits told him what they heard and that they were going to inform the king. “I know the king’s palace” the bear said, but before that I should also go back to where you were before. The bear suggested to see what had happened. Then the rabbits and the bear went to the play area to see what had happened. The bear saw a fallen branch and laughed loudly. Then he said “You timid rabbits! It is not the sky. It is only a branch. Now, go and play ” .
