Test 4

Read the following poem and answer the question.

Snakes

A snake can glide from side to side,
They're really long and like to hide.
They have long backbones, but no hair.
They use their tongues to taste the air.
They taste your scent if you are near,
And hiss a threat for **you** to hear.
It is wise of you to clear their way.
So you don't have an awful day!
