Grade -07

Listening Text for the question -09.

An accident

Last Saturday I saw an accident. I was at the town waiting for a bus. A small boy was crossing the road. Then a car came from the opposite direction. The driver tried to save the boy, but a bus coming from the other direction hit the car. The driver of the car was seriously injured and the people took him to the hospital. However, the driver of the bus was not injured. The boy had already crossed the road and he was safe.
